Registration Form	4

-
- Featured DVM Speakers:
 - Up to 6 DVM CE available
 - Fee includes breakfast, lunch, course notes, parking, vendor expo, and CE hours included!

Dear CVMA Members:

The CVMA Fall Short Course is set for **Sunday, October 7, 2018**, at the exciting **JACK Casino** in downtown Cincinnati. The CVMA Program Committee is pleased to provide top notch programming focused on the latest trends and information available to the veterinary field.

This year's DVM track is focused on the canine and feline hepatic systems. We're pleased to welcome **Adam Rudinsky, DVM, MS, DACVIM** and **Maxey Wellman, DVM, MS, PhD, DACVP**, who are both set to provide attendees with an informative program relevant to small animal practice work.

For the full list of topics and speaker bios, check out pages 2 and 3 inside this brochure. You can register (and pay) online or use the reservation form on page 4. We look forward to seeing you there!

Sincerely,

Robyn Collins

Robyn Collins, DVM
Chair, CVMA Program Committee

**P.S. Check out the Vet Tech track at
www.cincyvma.com!**

Dr. Adam Rudinsky is part of the Small Animal Internal Medicine service at The Ohio State University Veterinary Medical Center. He provides the service with a specialized interest, clinical perspective and clinically applicable research in gastroenterology, pancreatology, hepatology and immunology.

He received his DVM degree from The Ohio State University, completed a small animal rotating internship at Purdue University, a combined residency in internal medicine and MS degree at The Ohio State University, a fellowship in mucosal immunology at The Ohio State University, and a fellowship in microbial pathogenesis at Nationwide Children's Hospital. He is now on faculty at Ohio State as a faculty internist and research scientist.

His current clinical and research interests include chronic enteropathies, pancreatic and hepatic disease, mucosal immunology, and the intestinal microbiome as it relates to small animal gastrointestinal disease pathophysiology and treatment. During his time at Ohio State he has received several teaching awards and hospital service awards.

Dr. Maxey Wellman graduated from the College of Veterinary Medicine at The Ohio State University, completed an internship at Cornell University, and an MS at the University of Illinois before returning to Ohio State to complete her residency and PhD in the Department of Veterinary Biosciences, where she currently is a Professor and Section Head of the Clinical Diagnostic Laboratories.

She has given numerous hematology and cytology continuing education presentations. She has served as President of the ASVCP and President of the ACVP. She currently is the Cytology/Surgical Pathology Section Editor for *Veterinary Clinical Pathology*.
