A Support Group for DVMS Submitted by a CVMA Member

Einstein defined insanity as doing the same thing over and over again and expecting different results. That was his genius. We have decided to hold our veterinarian support sessions at **APG** (Anderson Pub and Grill). We will still be meeting the first Thursday of every month at 7 p.m. and the first Sunday of every month at 6 p.m. Rules of confidentiality are still applied. Text 513.225.7886.
